Dear Parishioner:

Last Tuesday the Supreme Court in Riverhead ruled, resoundingly, that the church had no right to take down the savethechurtyard.org website. I have delayed sending out this email due to the passing of John Leibold that evening. John was a long time parishioner, Vestryperson, and volunteer at Caroline Church as well as a friend. I'm certain he's up with the Lord and equally certain he's already cracked a few jokes.

The website has some new pages regarding the decision on the demand of the church to take down the site, my continuing willingness to come up with an impartial mediator for this dispute and also a page containing comments that I have received. I hope you will continue to visit and stay informed.
